

OPEN DATA ADVOCATE PROGRAM

Open Data Advocate (ODA) public commitment to prioritise three outcomes:

PRIORITY 1 – Guide agencies and citizens in promoting the availability of open access data (P1)

PRIORITY 2 – Contribute to the development of indicators and measures to better recognise the most effective Open Data practices (P2)

PRIORITY 3 – Promote Open Data as a cornerstone of Open Government (P3)

Enabling environment to promote Open Data:

1. Technical capability
2. Governance regime (legislation and policy)
3. Digitalisation.
