

DISCLOSURE LOG

Information and Privacy Commission NSW (IPC)

This disclosure log is prepared in accordance with section 25 of the *Government Information (Public Access) Act 2009*.

The disclosure log publishes details of information released in response to access applications that the IPC considers may be of interest to other members of the public. The purpose of this log is to record the following information about each access application:

- the date the application was decided
- a description of the information to which access was provided in response to the application
- whether any of the information is available from the IPC to other members of the public and if it is, how it can be accessed.

Last updated: May 2024
