Dear Ms Greenwood,

Re: Complaint handling and information sharing – Personally Controlled Electronic Health Records

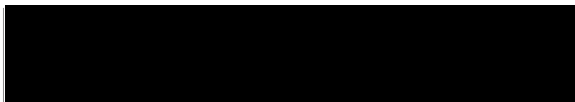

Thank you for your email dated 6 August 2013 and I apologise for the delay in responding.

Your email referred to the “Agreement for information sharing and complaint referral relating to the personally controlled electronic health (eHealth) record system between the Office of the Australian Information Commissioner (OAIC) and the Systems Operator” which was finalised on 5 June 2013.

NSW would like to become a party member to the agreement. I nominate Ms Sonia Minutillo, Manager Investigation and Review as the designated contact person for the purposes of this Arrangement

Please do not hesitate to contact Sean McLaughlan, Manager Performance Reporting and Projects, on (02) 8071 7030, or by email at sean.mclaughlan@ipc.nsw.gov.au if you have any questions.

Yours sincerely

Dr Elizabeth Coombs
NSW Privacy Commissioner
